

# **Foam Cleaner**

Available sizes:

11209400 Foam Cleaner 400 ml

## For the food industry

WEICON Foam Cleaner is universally applicable and can be used for the cleaning and degreasing of water-resistant surfaces and for the removal of soilings on plastic, glass and textile surfaces.

Due to its NSF A1 registration, Foam Cleaner is suitable for applying in sensitive areas, such as the food and beverage industry as well as in the pharmaceutical and cosmetic industry.

It is suitable for the cleaning of conveyor belts with contact to food, for example in production lines or retail shops. It removes soilings on machine housings and cleans scales, flat screens, touch screens, navigation systems and many more. Foam Cleaner eliminates many different impurities, such as oils and greases, fingerprints, soot, nicotine, dust as well as residues of insects. It can be used wherever acidic or alkaline detergents are not allowed.

## **Technical Data**

| Odour      | citrus         |
|------------|----------------|
| Features   | NSF A1approval |
| Shelf life | 24 months      |
| Colour     | white          |

## **Processing**

Thoroughly shake can before use. Apply Foam Cleaner at a distance of approx. 25 cm and allow to soak in for approx. 30 seconds before wiping off. Repeat if necessary.

### Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

# Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
