

Screen Cleaner Spray Quick Reference Guide

Overview

Our Screen Cleaner Spray is a specialised cleaning spray designed for sensitive plastic and glass surfaces.

Manufactured in Germany by Weicon, this cleaning agent is used all around the world on TVs, computers, car head decks, touch screen terminals and more.

It has been engineered to be gentle on surfaces yet very effective at cleaning them.

It removes dirt, dust, grease, insect residue and marks (such as fingerprints) without leaving streak marks.

Weicon Screen Cleaner Spray is both anti-reflective and anti-static. This anti-static component helps the spray keep devices clean as it naturally repels dirt and dust.
